Trademark Product size I Am Alive was released by DreamCatcher Interactive on January 17, 2013 for the PC, PlayStation 3 and Xbox 360. A remastered version was later released for Microsoft Windows on April 22, 2013.[1] I Am Alive is a third-person psychological horror adventure game developed by The Chinese Room and published by DreamCatcher Interactive in January 2013. The game tells the story of the disappearance of a family, the Yangs, from a sleepy suburb in America, and their encounter with a mysterious phenomenon known as the I Am Alive virus, which has killed most of the.

Diane Keaton happy for her family, friendships Diane Keaton is happy for her family and friends. The actress spoke at a press conference on Tuesday, October 24, ahead of The Rhythm Section, her new film that comes out on November 7. She said: "I'm very lucky to have a lovely family and I'm lucky to have some good friends. Both the family and friends are a big part of the movie." Diane Keaton and her daughter, Coco, were present at the press conference together with her other two children, Francesca, 18, and Michael, 19. The actress explained that she hasn't really had much time to be a mum in recent years, as she has been occupied by her career. She said: "Being a mom is very hard work. You don't get the time to go to the gym or sleep. "I've been fortunate to have had great friends and a wonderful family who support me." She added: "I'm happy with the time I have off, I'm happy to take my kids to school in the morning and I'm happy when the kids come home because it's the end of the day."

Q: Probability of a die sum being equal to 4 A fair six-sided die has been rolled n times. What is the probability that the sum of these n rolls will be equal to 4? My Thoughts: $\binom{n}{4} \left(\frac{5}{6}\right)^4$ This is my intuition, but the answer is $\frac{1}{\pi}$ A: You did not specify the distribution of the rolls
